The Allendale Saddle River Rotary Club Donates to a Worthy Cause

Recently the Allendale Saddle River Rotary Club gave a Donation to the Signature Donations Foundation, which an organization that is working with the Haven of Hope Orphanage in Ndola, Zambis. Zambia is currently struggling with many issues including widespread unemployment, poverty, and disease and is considered to be one of the world's poorest countries. Signature Donations is raising money to distribute new leather shoes to its 122 administered orphans. This will allow the orphans to continue to pursue an education. Every pair of shoes will be manufactured to fit the feet of each child. Knowing that every bit of help in extremely significant, Signature Donations with the help of the Allendale Saddle River Rotary Club, will purchase the shoes from the shoe factory in Ndola in order to help stimulate the local economy. The cost of purchasing shoes for the entire Orphanage is approximately \$2,500.00.
