Terrie O'Connor Realtors On A Roll!

Recently, the Terrie O'Connor Realtors "Young Professionals Connection" held a bowling night to celebrate the end of the 2015 NCAA March Madness competition and beginning of spring. Many sales associates from the company's eight offices participated and a percentage of the proceeds from this event is being donated to the Center for Food Action in Mahwah. The Terrie O'Connor Realtors "Young Professionals Connection" (YPC) has also organized food drives in the past to benefit the Center for Food Action, and will continue working on charitable projects in the community.
