Caroline von Glahn of Terrie O'Connor Realtors **Earns SRES Designation**

Caroline von Glahn, sales associate at the Terrie O'Connor Realtors Wyckoff Group, recently earned the Seniors Real Estate Specialist (SRES) designation. Having completed the required additional education necessary to earn the designation, Caroline has acquired extensive knowledge of the real estate market as it relates to seniors 50 and over.

Caroline feels that the ability to answer the needs of senior buyers and sellers will be a valuable asset as our population of “baby boomers” reach retirement age in the years to come.

“A majority of our population will be entering retirement starting in a year or so,” said Caroline. “I wanted to be prepared to help make the transition as simple as possible for those buying and selling.” Caroline is pleased to add the (SRES) designation to her previous designations of Accredited Buyer Representative (ABR) and At Home With Diversity (AHWD)
