Terrie O'Connor, President of Terrie O'Connor Realtors, is pleased to announce that Carolyn Baum has joined the Wyckoff Sales Group. Carolyn brings more than nine years of real estate experience to the company.

Carolyn earned an Associate Degree in Nursing from Felician College and a B.A. from Montclair State University. After beginning her career as a critical care nurse, she later served as the Director of Utilization Review and Quality Assurance at Passaic Beth Israel Hospital. She also served as Director of Marketing at two national home health care companies. As a successful realtor, Carolyn has put her talents for serving the public, as well as her marketing and leadership skills, to work for her buyers and sellers in northern New Jersey. At her previous firm, she achieved recognition as Sales Person of the Month, and was a deserving member of the Million Dollar Sales Club. Carolyn is also a New Homes & Relocation Specialist, and she is accomplished in both residential and commercial real estate to better serve the needs of her clients.

Carolyn has lived in Wayne, with her physician husband and her two sons, for over twenty years. Her sons attend Harvard University and the University of Virginia. Carolyn is a founding member of Team Tobago, an international cultural exchange program linking our community and the Caribbean island of Tobago. Carolyn made seven trips to the island as a chaperone for local students, and her fund-raising helped establish a library and computer laboratory to benefit children on the island. She also hosted and helped bring thirty members of an elite soccer team from Tobago to compete locally against varsity soccer teams from Ramapo, Wayne Hills, and DePaul high schools.

With her real estate partner, Cindy Terhune, Carolyn works tirelessly to deliver the highest quality customer service experience to her clients. She is often described by her clients as “ethical, honest, hardworking, and outgoing.” These qualities have earned Carolyn many satisfied customers, and she continues to receive repeat referrals as a result of her efforts.
