### **Terrie O'Connor Realtors Donates Thanksgiving Dinners to the Center for Food Action**

Terrie O'Connor Realtors worked hard to collect 10 Thanksgiving Dinners for the Center for Food Action located in Mahwah, NJ. Plump turkeys and all the fixings from soup to nuts were included in each dinner. "It is so heart warming to be able to help people in need," said Nicolette 'Nickie' Lisella, Broker/Manager of Terrie O'Connor Realtors. "I couldn't image any family not being able to have a wonderful Thanksgiving and we are so pleased that we were able to make sure that families in need would enjoy the holiday." The Allendale/Saddle River Rotary Club and The Allendale Chamber of Commerce also participated in donating food for the Thanksgiving dinners.
