### **Cindy Terhune Joins Terrie O'Connor Realtors**

Terrie O'Connor, President of Terrie O'Connor Realtors, is pleased to announce that Cindy Terhune has joined the firm's Wyckoff Sales Group.

Cindy has a corporate background and over nine years of experience in the real estate sales business. She began her career working in the Executive Finance divisions of several Fortune 500 companies, including AT&T and Intel, as well as the consulting firm of KPMG. Nine years ago, Cindy combined her passion for real estate with her interests in home decorating and interior design. After beginning her real estate career at the Mountain Creek Ski Resort Real Estate Sales Office, she then went on to work with a local real estate firm for over eight years. At her previous firm, Cindy earned the Sales Person of the Month title, and she achieved elite status as a member of the Million Dollar Sales Club. She is a New Homes and Relocation Specialist, skilled in both residential and commercial real estate. Cindy has partnered with Carolyn Baum, for the past six years, combining their talents and strengths to better serve the needs of their clients. They also enjoy assisting both buyers and sellers alike.

Cindy feels that there are many important characteristics to being a great Realtor. She prides herself on her honesty, integrity, and compassion together with her tireless work efforts and organizational capabilities. Her high level of energy and outgoing personality, as well as her dedication to her loyal clients, have earned her many repeat referrals from satisfied clients. Her goal is "to provide service above and beyond the client's expectations and to deliver value to the customer in both a professional and ethical manner."

Cindy Terhune looks forward to putting these talents to work for her clients at Terrie O'Connor Realtors, Wyckoff. She can be reached on her cell at (973) 477-0981.
