Circle of Excellence Awards Committee Achieved Successful Awards Breakfast for Members

Recently the NJAR Circle of Excellence Awards Volunteer Committee organized a successful awards breakfast for members of the real estate community. The Award's Breakfast was sponsored by RealSource Association of Realtors where honored members were recognized for demonstrating excellence in the field of salesmanship. Originally called the NJAR Million Dollar Sales Club, the Award program was restructured and renamed in 2002 as the NJAR Circle of Excellence Sales Award. In addition to earning units for sales/listings volume, members can also earn units for involvement in the industry and association. "We were able to review all the applications submitted and we marveled at the achievements made by our fellow colleagues," said Nicolette 'Nickie' Lisella, broker/manager of Terrie O'Connor Realtor, Allendale Group. "Volunteering our time to organize the awards breakfast and award fellow members in our real estate community was a great honor for our committee."
