Organize Allendale Woman's Club
Fashion Show

Claudia Sanchez and Carol Gates were the coordinators of the Models and Fashions for The Allendale Woman's Club fashion fund-raiser, *Making Fashion History*, at Seasons in Washington Township recently. The event helped raise funds for the restoration of The John Fell House, a historic landmark in Allendale.

The evening featured a cocktail reception, followed by dinner, gift basket raffles and a fashion show. The fashion show was sponsored by Leapin Lizards, a Lilly Pulitzer signature store in Ridgewood.

The primary beneficiary of the fund-raiser was the John Fell House, a "Mansion House" formerly belonging to John Fell Esq. "We know from maps that the house was standing on the spot at the time of the Revolutionary War," said Claudia Sanchez. "Knowing that our fashion show fund-raiser will help preserve a house that is one of the many testaments to our nation's early history makes all of us feel a sense of pride, especially knowing that it stands within our midst."

The John Fell House received half of the proceeds, with the remaining funds going to the assistance of other local charities and organizations.
