Terrie O'Connor Realtors Welcomes **Felicia Polcari**

Terrie O'Connor, President of Terrie O'Connor Realtors, is pleased to announce that Ramsey resident Felicia Polcari has joined the Ramsey group as a Sales Associate.

Ms. Polcari has had a long career of serving the public. For the past four years she has worked as a Realtor in Ramsey and she is a member of the Real Source Board of Realtors. She is a Licensed Professional Counselor and has worked in private practice since 1978. As a counselor, Felicia has a strong belief in treating people with positive regard, listening to their needs and being available to deliver services in a timely fashion. These beliefs carry over to her business philosophy today.

Felicia holds both BA and M. Ed. Degrees from William Paterson University and holds teaching certificates in both Elementary and Special Education. Felicia has worked in the schools as both a volunteer and an educator in various capacities beginning with student teaching in Ramsey. In addition to being fluent in Italian, she is certified in Divorce Mediation and Crisis Intervention and is a member of the National Board of Certified Counselors. Felicia's extensive career in public service has given her expertise in working with people and being especially perceptive to what they are feeling, enabling her to better meet their needs.

A Bergen County resident for over forty years, Felicia has resided in Ramsey since 1972. She raised four children who all passed through the Ramsey school system, which allowed her to gain an understanding and appreciation of what the system has to offer. Through the years she was involved in the local sports program and has facilitated workshops and groups in Ramsey and the surrounding towns.

Felicia Polcari looks forward to continuing to serve the Bergen, Morris and Passaic County areas. She is excited to be part of the Terrie O'Connor Realtors Team and can be reached at the Ramsey office at (201) 934-0600 ext. 66.
