

**Internationally Renown Real Estate Educator Darryl Davis Speaks to  
Terrie O'Connor Realtors at Company Wide Sales Meeting**

Because of the current market conditions in northern New Jersey, Terrie O'Connor Realtors is making every effort to get their seller's homes sold! It was such a great meeting that many of our associates signed up for an additional 3 day seminar with Darryl Davis to sharpen their negotiating skills and to expand and enhance their level of knowledge in real estate sales and marketing.
