Jane DeVincentis and Karen Hoffman Joins Terrie O'Connor Realtors Kinnelon Group

Terrie O'Connor, President of Terrie O'Connor Realtors, is pleased to welcome the team of Jane DeVincentis and Karen Hoffman to the firm's new Kinnelon group.

Jane DeVincentis has enjoyed living in Kinnelon for the past sixteen years with her husband, Tony, and their daughter. Jane has volunteered as a Girl Scout Leader and is a past Board Member of KEHSA. Jane holds a BS degree in Accounting and also worked previously as a Real Estate Appraiser.

Karen Hoffman has lived in Kinnelon with her husband, Rich, and their three children for twenty-three years. Karen holds an English degree from Montclair State University and is also a Certified Paralegal, previously working in a real estate firm while being a licensed realtor in the 1990's. Karen belongs to the Smoke Rise Community Church.

Jane and Karen have been friends for many years. Together, they have set many goals for themselves that they achieved as a team. They both taught in the Kinnelon School System, held Board positions for the Home and School Association, volunteered as Girl Scout and Daisy leaders, and after four years of training, reached their goal of Black Belt in Tae Kwon Do. It is safe to say that once they set their minds to something, Jane and Karen do it.

Jane and Karen look forward to joining Terrie O'Connor Realtors and serving their friends and neighbors in the Northern Corridor area. Both Jane and Karen know the area very well and are excited to work in their community. Teaming up with Terrie O'Connor Realtors is another way that Jane and Karen will give their clients the utmost care and attention when listing or purchasing a home. They are enthusiastic about their new venture, and the team of Karen and Jane will bring loyalty, experience and enthusiasm to the real estate world...times two.
