Janet Britton Joins

Terrie O'Connor Realtors' Saddle River Group

Janet Britton is happy to announce her return to Real Estate with Terrie O'Connor Realtors. Janet began her career with Terrie O'Connor Realtors when the company was newly formed, then took time off to raise her children.

Janet earned a B.A. in Communications from Ithaca College and worked in advertising at Young & Rubicam Inc. for thirteen years. Her vast experience in marketing and dealing with numerous clients proved to be a natural transition into the Real Estate industry. "The gratifying experience of matching clients with their homes is what compels me to work in Real Estate."

Janet prides herself on listening to her client's needs and giving 100%, whether they are renting an apartment or buying a luxury home. Her sellers are provided with thorough and realistic market analyses when listing their homes. Janet has experience selling new construction and land. She was also exposed to the nuances of construction as the granddaughter of builder Joseph Carletta and daughter of George DePalma, a builder/developer/broker and past President of the Builders' Association of Northern New Jersey. Additionally, Janet has experience in property management and holds the GRI (Graduate Realtor Institute) designation.

Janet grew up in Paramus. She and her husband Marc lived in Manhattan prior to moving to Upper Saddle River twenty years ago, where they currently reside with their two children.

Janet is excited to be working in Real Estate again and, most importantly, with Terrie O'Connor Realtors. "Terrie O'Connor Realtors offers its agents unparalleled marketing tools, training and on-going education which are some of the many benefits to working with this growing company that still feels like a family."

Janet looks forward to providing clients with dedicated service for all their Real Estate needs. She can be reached on her cell: 201-264-6421, at the office: 201-934-4900 or by email: jbritton@toctr.com.
