Jeffrey Jacobsen Joins Terrie O'Connor Realtors

Terrie O' Connor, President of Terrie O'Connor Realtors, is pleased to announce that Jeff Jacobsen has joined the Upper Saddle River Group.

Jeff has a BS in Business and several CE certificates in landscape design and disciplines, including certification as a Landscape Lighting Installer. He has enjoyed a career in his family business, Jacobsen Landscape Contractors, Inc., located in Park Ridge. A majority of the company's landscape business takes place in Northern New Jersey, affording him a great familiarity with the region. He is also proud to consider that his family's company has even contributed to the beautification of the area.

Growing up in a family business has taught him to follow a doctrine of maintaining honesty, integrity, and loyalty to the customer. "I am always told that I am good with people," he explains. "I believe I understand how to connect with different types of people because I am genuinely interested in helping them achieve their goal." This enthusiasm will surely put his real estate clients at ease, as well as benefit the negotiating process of the sale or purchase of their home.

Jeff grew up just inside the New York border of Montvale and Chestnut Ridge. He is the third generation of his family to consider Park Ridge home. He currently resides in Monroe, NY with his wife and two young children. He helps maintain the Rotary garden in Woodcliff Lake, where his grandfather was a rotarian for 75 years.

Jeff can be reached at the office 201-327-7100 ext. 157. cell 201-280-2692, email jjacobsen@tocr.com.
