### Karyn M. Burrafato Joins Terrie O'Connor Realtors

Terrie O'Connor, President of Terrie O'Connor Realtors, is pleased to announce that Karyn M. Burrafato has joined the firm's Kinnelon group.

Karyn is a graduate of the Terrie O'Connor Realtors Real Estate School. She attended Rutgers University and studied exercise physiology and sports management. Karyn went on to serve as a Department Manager for the non-profit Ramapo-Bergen Animal Refuge in nearby Oakland. Her passion for animals soon led to owning her own dog training and behavioral consultation business.

While searching for her own home, Karyn realized that her own commitment to providing excellent customer service and management experience would make her an excellent candidate for a career in real estate. She was very impressed with the level of professionalism at Terrie O'Connor Realtors, and it felt like a perfect match for Karyn's business philosophy.

Karyn was born and raised in Bergen County. She currently lives in Vernon with her husband and three children and is familiar with the local area. We welcome Karyn Burrafato to the Terrie O'Connor Realtors team. She can be reached at (973) 838-0100 Ext. 251, or her cell at 201-248-0316 or e-mail at [kburrafato@tocr.com](mailto:kburrafato@tocr.com).
