Terrie O'Connor Realtors **Participates in** **Designers' Wedding Showcase**

Recently Terrie O'Connor Realtors participated in a Designers' Wedding Showcase at the Ramsey Golf & Country Club. This was a great opportunity for future brides and grooms to meet with some of New Jersey's Premier Bridal and Business Specialists. The Terrie O'Connor Realtors were represented at the Showcase and were able to meet with these future brides and grooms to discuss and walk through any and all of their real estate needs. "Where will they live when they start their lives together is a question most young couples need to think about when they plan their new lives together," said the Realtors of Terrie O'Connor Realtors. "This event was a great way of using our professional real estate knowledge to help these young couples."
