Lois Fitzpatrick Joins Terrie O'Connor Realtors' Kinnelon Group

Terrie O'Connor, President of Terrie O'Connor Realtors, is pleased to announce that Lois Fitzpatrick has joined the company as a Broker-Manager. Lois will be the manager of the newest office in the organization which will be opening soon in the Meadtown Shopping Center on Rt. 23 South in Kinnelon.

Lois has been a full-time Realtor for the last 18 years serving her clients in Morris, Passaic and Sussex Counties. Over the years she has been a consistent top producer winning many sales awards along the way. Lois values the relationships she's formed with her clients and will continue to provide them with the honesty, loyalty and dedication that has been her trademark throughout her career.

Lois received her Broker's license in 2007 with the idea of expanding her real estate career into management. "After meeting Terrie and discussing her business philosophy, I was excited to work with her and be part of this exciting new venture." said Lois. "She has an absolute dedication to providing only the highest level of service to both buyers and sellers. I was very impressed in speaking with agents and managers alike, everyone has a sense of pride in their affiliation with this company." To further that commitment, Terrie makes sure that her agents have all the necessary tools to assist them in being successful in their careers. Examples of this include having a professional photographer on staff, dedicated brochure/ad writers, a wide reaching presence on all major websites and a regular presence in area newspapers. An in depth training program is available with both classroom and online venues helpful to the seasoned agent and those new to the real estate industry alike.

Remodeling of the new office space has begun and plans to be completed in August.
