Maria C. Taeschler Joins Terrie O'Connor Realtors

Terrie O'Connor, President of Terrie O'Connor Realtors, is pleased to announce that Maria C. Taeschler has joined Terrie O'Connor Realtors Saddle River Group.

Maria has long been active in real estate. Beginning in 1986 as a successful sales associate she reached million dollar club status in her first year, she later went on to work in new construction. She has successfully closed 3 projects for a total of 173 units under two builders. Maria has an eye for space, decorating and consulting so the new buyers working to transform "raw" space can create their forever home.

Attracted to the strong local brand supported by national and global connections through Leading Real Estate Companies of the World, Maria states..."The services offered by Terrie and the brokerage that shares her name include a comprehensive luxury marketing program as well as an extensive internet presence to serve both buyers and sellers."

From a more personal perspective, Maria and her family have moved 6 times in 29 years. After graduating with a finance degree, she settled in Ramsey New Jersey to raise her family. Maria and her husband Dave are active in her community serving as past secretary and Vice President for the Ramsey Athletic Association, holds her membership in UNICO and St. Paul Church.

Returning to resale market is an exciting opportunity, says Maria. "I can combine my love of design, the experience gained in new construction from the ground up with my 28 year knowledge of the northern Bergen County housing market." I have lived in Bergen County my entire life. I know these neighborhoods intimately...their style, value and vibe, which is always evolving."

Maria can be contacted by cell at 201-788-2321, by office 201- 934-4900 or by email at mtaeschler@toctr.com.
