## REALTORS

### **Matthew O'Connor, Vice President and Director of Relocation of Terrie O'Connor Realtors, Receives Worldwide ERC® Global Mobility Specialist Designation**

Worldwide ERC® is pleased to announce that Matthew T. O'Connor, Vice President and Relocation Director of Terrie O'Connor Realtors, has successfully completed all three course modules of the Worldwide ERC® Global Mobility Specialist Designation.

Worldwide ERC® began in Chicago in 1964 as “The Employee Relocation Real Estate Advisory Council”, an organization developed by a small number of individuals, with the help of the National Association of Realtors, who recognized the need for an association to address the growing needs of a nation that was increasingly moving its employees to increase productivity.

In 1975, the Employee Relocation Council (ERC) was moved to Washington D.C. and it is known today as a global reach association that expands its scope to address, in addition to real estate-related issues, to household goods moving, spouse and partner needs, family concerns, ancillary services that support community assimilation and accelerate employee productivity in the new location, international assignments, and the tax and legal aspects of workforce mobility.

When relocation professionals, global workforce mobility specialists, business communities and the media want to learn about current issues, trends, and best practices for the movement of employees within the United States and all over the world, they turn to Worldwide ERC® for its proven record of expertise. Worldwide ERC® is the premier global professional membership association for workforce mobility headquartered in Washington, DC and with a European office in Brussels, Belgium and another office in Shanghai.

If you are in the process of thinking of relocating or moving your workforce to a new location you may contact Matthew O'Connor, Director of Relocation, to help you with all your domestic or international relocation needs at (201) 786-9055 ext. 101 or e-mail him at: [matthew@tocr.com](mailto:matthew@tocr.com)
