Terrie O'Connor Realtors Saddle River **Welcomes May McDermott to the** **International Group**

Terrie O'Connor, President of Terrie O'Connor Realtors, is pleased to announce that May McDermott has joined the Terrie O'Connor Realtors' International Group in Saddle River.

May brings with her a wealth of information on different cultures and customs. Born overseas, she lived in Europe, The Middle East and Africa and has traveled all over the world.

May first moved to the United States to pursue her studies as a fashion designer. After graduating from FIT (Fashion Institute of Technology) she worked for many years as an award-winning children's wear designer in New York City. A move to New Jersey to raise her 2 children brought her to Upper Saddle River, where she has been a long time resident and an active member of local school and community organizations. In order to be closer to her children while they were growing up, May pursued her interest in Education and working with people to become a School Psychologist. She most recently provided psychological services for various school districts in New York and New Jersey.

May's background in Psychology, Design and International travel, along with her language skills have provided her with a natural transition into the Terrie O'Connor International Group. Her interest in Real Estate and respect for the service that agents provide developed gradually over time after having bought sold and remodeled many homes. May is excited to be part of Terrie O'Connor Realtors, a member of the Leading Real Estate Companies of the World, where she hopes to put her life experiences to work for their clients.
