### Terrie O'Connor Realtors Offers Discovering Your Memory Power Program to Company Associates

Recently Terrie O'Connor Realtors offered an excellent memory program for the company's associates. Matthew Goerke the developer of the "Memory Switch Program" which is one of the most utilized programs of its kind in developing techniques for retaining excellent memory, taught Terrie O'Connor Realtors key tips in keeping up with their memory. "I thought this would be a great program for our associates," said Terrie O'Connor, Broker/President of Terrie O'Connor Realtors. "Having Matthew Goerke share his amazing memory techniques with our associates was a tremendous educational experience for our company and was enjoyed by all."
