### **Nora Ritter Joins Terrie O'Connor Realtors**

Terrie O'Connor, president of Terrie O'Connor Realtors, is pleased to announce that Nora Ritter has joined the Wyckoff Group.

Nora earned a BFA from the Fashion Institute of Technology specializing in fashion design. For three and a half years she worked as a bridal sales consultant where she gained valuable sales experience and honed her customer relation skills. While working in the customer service and account management department at United Health Group, Nora was often complemented on her responsive skills and strong attention to detail.

Nora is co-owner and decorator of her own design and staging company, Ritmann Designs. She works with other realtors to stage properties and get them ready for the market.

“I see potential in homes that others do not due to my design and decorating background,” she explains. “I am familiar with techniques that help showcase a home in the best possible light.”

Nora is a parishioner at St. Anthony's Church in Hawthorne and donates to various schools and local organizations through her Ritmann Designs company. She grew up in Brooklyn and Bogota and now lives in Hawthorne.
