Terrie O'Connor Realtors Participates in Toy Drive

Terrie O'Connor Realtors is participating in a toy drive for the Oasis Foundation this holiday season. Oasis is a nonprofit organization that assists low income families by providing support to food pantries, after school programs, nurturing centers for infants and pre-schoolers, etc. Oasis creates a gift room every holiday season to collect

unwrapped toys for ages ranging from infants to 14 year olds. Local Paterson Mothers come there to "shop" for their families and pick up wrapping paper as well.

"Terrie O'Connor Realtors toy drive is especially important this year as we see the numbers of women and children coming to our doors soar," said Jennifer Brady, President of the Oasis Board of Directors. "With Terrie O'Connor's help, and the help of the community, our goal is to provide holiday gifts to some of the most vulnerable children in Paterson, so that they can have a happy holiday just like every other child."

Oasis needs help from the community more than ever. If you are interested in donating new, unwrapped toys for children, please contact Terrie O'Connor Realtors 201-934-0600 for a drop off location nearest to you. The last day for collecting toys is December 12th.
