Robert Tenny of Terrie O'Connor Realtors

Earns SRES Designation

Terrie O'Connor Realtors is proud to announce that Robert Tenny has earned his Senior Real Estate Specialist designation. A Senior Real Estate Specialist (SRES) is qualified and well versed to address the special needs of home buyers and sellers who are over 50 years of age. The SRES designation is earned through successfully completing a program designed by the National Association of Realtors. This program provides the knowledge and expertise beneficial to advise 50+ customers and clients through major financial and lifestyle passages. These transitions may be the result of relocation, downsizing, refinancing, or selling the family home.

Robert has personally played a primary position in the role of caregiver to his own parents which has heightened his sensitivity to the challenges of seniors as they face uncertainties and concerns about their future. "This is an ideal fit with my abilities and desires to be of service to seniors who need real estate guidance," said Robert. "Those who are in need of a compassionate and caring individual that is ready and willing to work through all matters of real estate transitions together, can count on me for expert advice."

Licensed as a Realtor since 1986, Robert looks forward to helping you with any of your real estate needs and looks forward to getting to know you. Robert can be reached at Terrie O'Connor's Realtors Wyckoff Group at (201) 891-0100 ext. 219 or by email at rtenny@toqr.com
