### **Saddle River Day School Visits** **Terrie O'Connor Realtors**

Recently the first graders of Saddle River Day School had a Community Day field trip visiting businesses in Allendale. One stop they made was visiting Terrie O'Connor Realtors. The students were very eager to learn about how houses were sold and what do sales associates do to sell them. After a tour and a short visit with Marianne Strasser, sales associate of Terrie O'Connor Realtors, the first graders were all ready to organize their information and write up their reports on how houses are sold.
