Allendale/Saddle River Rotary Club Donates \$500.00 to the (ihaf) International Humanitarian Aid Foundation. The donation will be very helpful for their new mission project in Haiti, which is the poorest country in our hemisphere. The new mission project is the formation of the Consolation Center located in southern Haiti. It is a fresh new home for homeless girls from the

ages of 5-15.. "The Consolation Center not only provides a safe and nurturing home for the girls they take in, but also provide them with education, medical and spiritual care," said Nicolette 'Nickie' Lisella, President of the Allendale/Saddle River Rotary Club and Broker/Manager of Terrie O'Connor Realtors, Allendale Group. "We are very happy to have this donation help to support and supply the Center with needed items and educational materials." The Consolation Center already has 30 girls but are getting ready to house 50. For any contributions to this cause please contact Nickie Lisella @ (201) 825-0500.
