### **Terrie O'Connor Realtors** **Saddle River Group Collects** **Toys for Oasis**

The Saddle River Group of Terrie O'Connor Realtors, in an effort to "give back" to the community, had a toy drive for Oasis, a haven for low-income families who strive to achieve economic independence. Toys donated were for children ranging in age from infants to 12 year olds. The toys were used at the Oasis "gift room" where needy mothers can shop for gifts for their children free of charge. This enables these mothers to create a holiday at home for their families. "It was such a fabulous feeling being able to donate such wonderful toys to this wonderful organization," said Charlotte Martyn, Broker/Manager of the Saddle River Group. "The gift of giving is what the holidays truly mean."
