Ramsey's annual Home for the Holidays celebration was another great success this year. Santa came to Terrie O'Connor Realtors, where children waited in line to tell Santa what they wished for this holiday season. There was also a card station at the office where children and their families were able to decorate holiday cards for soldiers overseas. The office provided hot beverages and refreshments for families waiting in line.

Local families brought toys to donate to the Oasis Foundation, since Terrie O'Connor Realtors was a drop off location for the Oasis Foundation's toy drive. The toys were delivered last week in order for Oasis to prepare the gifts for lower-income families in time for the holidays.

Terrie O'Connor Realtors would like to thank all of those who participated in this year's toy drive. "The outcome was incredible," said Stan Zaremba, Vice President, Regional Manager. "We were overwhelmed with all the generous gifts that were donated."
