Sarah Marie Drennan Joins Terrie O'Connor Realtors

Terrie O'Connor, President of Terrie O'Connor Realtors, is pleased to announce that Sarah M. Drennan has joined the Saddle River Group.

Sarah Drennan graduated Summa Cum Laude with a Bachelor of Arts degree in Communication, Information and Library Studies from Rutgers College in New Jersey. Sarah began her career in New York City as an International Resource Manager at one of the world's largest public relations firms and was a founding Vice President for the public relations industry's first trade association.

"With my business background, it was evident that the TOCR Brokerage offers the highest quality and most pervasive marketing opportunities for each of its clients," remarked Sarah.

Sarah's extensive expertise in public relations, marketing, sales and customer service, combined with her passion for real estate, is an invaluable asset to her clients. Her ultimate goal is to obtain the highest return on investment for her clients, manage expectations and create a seamless real estate transaction for her buyers and sellers.

In addition, Sarah has personally moved more than 20 times throughout the United States and internationally. Having bought and sold multiple homes at a profit, managed every aspect of her moves across the country and around the world and having navigated the corporate relocation process, Sarah has gained a unique perspective on real estate. She can empathize with her clients as they prepare to buy or sell their most important financial asset and relocate their families.

Sarah currently resides in Upper Saddle River with her husband, Rob, and their three children. She is a member of the Upper Saddle River Schools PTO, is an active member of the Church of the Presentation and can be found most weekends cheering on her children at any number of town sporting or Scout events.

Sarah is both eager and well prepared to assist you in buying, selling or relocating. Please contact her directly at sdrennan@toqr.com, calling her cell at 201-707-0309 or her office at 201-934-4900.
