Terrie O'Connor and Talbots Celebrate The Impeccable Hostess in All of Us

Evoking the days of elegance, etiquette and entertaining, Talbots honored Terrie O'Connor as representing the impeccable hostess found in all of us. Last Thursday night at the Talbots in Woodcliff Lake, invited guests joined hostess, Terrie O'Connor, President of Terrie O'Connor Realtors, for some highballs and hobnobbing, sophisticated conversation, and an insight into today's most sophisticated fashions. Personal shoppers and wardrobe stylists were available all evening to handle everyone's fashion related needs. 20% of the evening's proceeds benefited the Molly Foundation for Juvenile Diabetes Research. "What a fabulous evening," Said Colleen Hanberry, Talbots' Training Store Manager. "It was such a great success and everyone had such a great time."
