Teresa Shedler Achieves National Recognition

Teresa “Terri” Shedler, Sales Associate with Terrie O'Connor Realtors in Allendale, has been awarded the Accredited Buyer's Representation (ABR®) designation by the Real Estate Buyer's Agent Council (REBAC) of the National Association of Realtors® (NAR).

Terri Shedler joins more than 30,000 real estate professionals in North America who have earned the ABR® designation. All were required to successfully complete a comprehensive course in buyer representation and an elective course focusing on a buyer representation specialty, both in addition to submitting documentation verifying professional experience.

REBAC, founded in 1988, is the world's largest association of real estate professionals focusing specifically on representing the real estate buyer. There are more than 40,000 active members of the organization worldwide. The National Association of Realtors®, “The Voice for Real Estate,” is the world's largest professional association, representing over 1,000,000 members involved in all aspects of the real estate industry.

Terri has been a full-time professional realtor for twelve years. While her main focus has been on servicing home buyers and sellers in the Northwest Bergen County area, Terri has set her sight on being a “Full Service Concierge” Realtor. This unique concierge service provides her clients with knowledge and care that goes beyond expectations and beyond homes. “I value my clients for the trust they have placed in me. I look forward to serving YOU in the future,” she said.
