Terrie O'Connor Realtors Participates in 4th of July Parade

Associates of the Terrie O'Connor Realtors and their family members were eager to join together to march and participate in the annual Ridgewood's 4th of July Parade. "What a great time we had marching and waving, it really gave us a sense of community and pride for our country, said Nancy Martin, manager of the Terrie O'Connor Realtors, Ridgewood office. "Each year the parade gets better and better, if that is possible, and all of us wouldn't miss this for the world to be apart of this terrific parade."
