### Terrie O'Connor Realtors Announces That Chun "Tracy" Liu Has Joined the Firm's Allendale Office

Terrie O'Connor, President of Terrie O'Connor Realtors, is pleased to announce that Chun (Tracy) Liu has joined the firm's Allendale office. Ms. Liu has been a licensed real estate agent for the past three years.

Tracy Liu was a pediatrician in China and came to the United States in 1990. She settled in Bergen County and worked hard to pursue her American dream. Her husband is an anesthesiologist and both her and her husband live in Mahwah and have two children. While attending the Mahwah school system, her children are also learning about their Chinese traditions by attending the Bergen Chinese School in Paramus.

Tracy has enjoyed helping her clients pursue their own American dream by finding the home that makes that dream part of their reality. She looks forward to assisting her new clients at Terrie O'Connor Realtors, Allendale. Tracy Liu can be reached at (201) 825-0500 ext. 40.
