Autumn Season Decorations for Terrie O'Connor Realtors

Terrie O'Connor Realtors in Ramsey were in for a special treat this fall when 8th graders from St. Paul's Inter Parochial School volunteered to decorate the office windows for the autumn season. The artists painted the windows with decorations such as pumpkins and leaves for all on Main Street in Ramsey to enjoy. The afternoon consisted of painting and enjoying cider and snacks. The students are also members of St. Paul's Student Council and enjoy volunteering their time to the community.
